

## **National Oceanic and Atmospheric Administration**

### **Ocean Exploration Advisory Board (OEAB); Meeting**

**AGENCY:** Office of Ocean Exploration and Research (OER),  
National Oceanic and Atmospheric Administration (NOAA),  
Department of Commerce (DOC).

**ACTION:** Notice of public meeting.

**SUMMARY:** This notice sets forth the schedule and proposed agenda for a meeting of the Ocean Exploration Advisory Board (OEAB). OEAB members will discuss and provide advice on Federal ocean exploration programs, with a particular emphasis on the topics identified in the section on Matters to Be Considered.

**DATES:** The announced meeting is scheduled for Wednesday, June 30, 2021 from 1:00 p.m. to 5:00 p.m. EDT.

**ADDRESSES:** This will be a virtual meeting. Information about how to participate will be posted to the OEAB website at <https://oeab.noaa.gov/>.

**FOR FURTHER INFORMATION CONTACT:** Mr. David McKinnie,  
Designated Federal Officer, Ocean Exploration Advisory  
Board, National Oceanic and Atmospheric Administration,  
[david.mckinnie@noaa.gov](mailto:david.mckinnie@noaa.gov) or (206) 526-6950.

**SUPPLEMENTARY INFORMATION:** NOAA established the OEAB under the Federal Advisory Committee Act (FACA) and legislation that gives the agency statutory authority to operate an ocean exploration program and to coordinate a national

program of ocean exploration. The OEAB advises NOAA leadership on strategic planning, exploration priorities, competitive ocean exploration grant programs, and other matters as the NOAA Administrator requests.

OEAB members represent government agencies, the private sector, academic institutions, and not-for-profit institutions involved in all facets of ocean exploration – from advanced technology to citizen exploration.

In addition to advising NOAA leadership, NOAA expects the OEAB to help to define and develop a national program of ocean exploration – a network of stakeholders and partnerships advancing national priorities for ocean exploration.

*Matters to be Considered:* The OEAB will conduct a self-assessment of its past advice to NOAA Administrators and consider how its advice can be most useful, given current needs, to understand the deep ocean, the state of technology, current climate priorities, and other factors. The agenda and other meeting materials will be made available on the OEAB website at <https://oeab.noaa.gov/>.

*Status:* The meeting will be open to the public with a 15-minute public comment period on Wednesday, June 30, 2021, from 3:00 p.m. to 3:15 p.m. EDT (please check the final agenda on the OEAB website to confirm the time). The public may listen to the meeting and provide comments during the public comment period via teleconference.

Participation information will be on the meeting agenda on the OEAB website.

The OEAB expects that public statements at its meetings will not be repetitive of previously submitted verbal or written statements. In general, each individual or group making a verbal presentation will be limited to three minutes. The Designated Federal Officer must receive written comments by June 25, 2021, to provide sufficient time for OEAB review. Written comments received after June 25, 2021, will be distributed to the OEAB but may not be reviewed prior to the meeting date.

*Special Accommodations:* Requests for sign language interpretation or other auxiliary aids should be directed to the Designated Federal Officer by June 25, 2021.

Dated: May 27, 2021.

**Eric Locklear,**

*Acting Chief Financial Officer/Chief Administration  
Officer,*

*Office of Oceanic and Atmospheric Research,  
National Oceanic and Atmospheric Administration.*
